

WINE PULL

We're taking a break from the Instant Wine Cellar this year and are excited to be hosting a Wine Pull at the 2022 Gala.

What is a wine pull? The night of the Gala you will have an opportunity to purchase a numbered cork for \$25 via the mobile bidding app. These corks will correspond to concealed bottles of wine on display at the Gala. All bottles of wine are all valued at least \$20, but there will also be a good selection of wine valued much higher. Your goal is to choose a cork corresponding to a high value bottle of wine but regardless of your luck that night, you'll go home with a delicious bottle of wine!
