

Hosted Party ideas for the 2022 Gala

What are Hosted Parties? They are “sign-up” events that parents, or a group of parents, agree to host for as many people as they find appropriate for the specific activity/party. Attendees can be adults, kids or a combination of the two. You choose the place and all the details; the maximum number of people, who can attend, and the price per attendee.

Costs incurred for parties are covered by the host(s). One hundred percent of the money raised benefits tuition assistance and program resources. Hosted parties are not only fun, but also a great opportunity for community building and to meet other SMA parents.
