

Pre-Kindergarten

Student Experience

SMA provides an education that will challenge your child

- **Creative Curriculum** program.
- **Two-person** teaching teams.
- **Outdoor time** every day.
- **Field trips** have included the local police station, a nearby gardening center, and a recycling plant.
- **Project-based** units of study that align with students' interests.
- Class size limited to **16**.

Grounded in Community

Your child will develop a love of learning guided by a supportive community

- Our **Loretto School Values** of **faith, community, justice** and **respect** provide the framework for everything we do.
- Pre-K students participate in **assemblies** regularly in the second semester.

“

What you are doing to create such a warm, inclusive, and fun classroom culture is exactly what we were looking for in a school for our daughter. You obviously put all of this and more into making sure our kids have a safe and happy learning environment to go to each and every day.”

~ Pre-Kindergarten parent

Making a Difference

SMA helps students develop a strong moral character

- Students learn the value of **leadership, social justice** and the ability to enact **change in the world**.
- Pre-K students explore ways they can **make a difference** locally and globally.
- 100% of SMA students participate in **community service**.

We can't wait to meet you!

Prepared to Lead

Your child will be prepared for leadership in a global society

- Interaction with Lower School students in many grade levels for **mentoring**.
- **Public speaking** opportunities for Pre-K students at Lower School assemblies.

“

Our child is happy, happy, happy.”

~ Pre-Kindergarten parent

Student Wellness

Your child will be supported socially and emotionally

- Focus on **kindness** and **empathy** utilizing Second Step curriculum.
- One part-time **nurse**.
- **Fun** and **play** every day to promote creativity and imagination!
- Healthy morning **snacks**.
- Quiet period for **rest/nap**.

Integrated Technology

Your child will practice the process of design, logical reasoning, creativity, problem-solving, and more

- **Tech** and **coding** taught every week.
- **OSMO Little Genius** software promotes literacy and letter knowledge and allows for sensorimotor manipulation.
- **1:1 iPad** time to expand learning.

“

My philosophy of early childhood education is to provide a healthy, positive, and inspiring learning environment in which each child can grow socially emotionally, cognitively, and physically.”

~ Johnnie Romano, Pre-Kindergarten Director
